Hi Brent,

Good to hear from you. I am struggling with computer issues today so I have been all over the place. I will probably give up and work remotely soon. Can we set up a time to talk this afternoon my time?

Best, Jeanine

Jeanine -

I left you a voicemail and am hoping you can give me a call regarding the finding at Parcel A and to discuss the Navy and perhaps CDPH joint outreach plans to Congressional offices.

I am in the office today and can be reached at 415.947.4256. I look forward to talking with you.

Regards,

Brent Maier
